

God and Country Festival in Nampa, Idaho is organized by a volunteer-driven organization made up of Christians who are committed to strengthening the fabric of the Treasure Valley community through the Good News of Jesus Christ. We believe that Christians in America should have a natural affection for their country because it was founded on the godly ideal that liberty is derived, not as a gift of governments and politicians, but as a gift of our Creator.

2016

Booth Application

We appreciate your partnering in the success of this year's 50th event. Please fill out the form below in its entirety and email the application form to jon@dcengineering.net. The event will be held at the **Idaho Center outdoor amphitheater** on **June 29, 2016**.

The booth areas will be approximately 10'x10'. You will be responsible for your own booth structure (EZ Up canopy, or similar), tables, chairs, banners etc. We will contact you as the event approaches via the phone number or email address you list below, with times and details related to set up and tear down. Typical set up is between noon and 2:30 pm. You must bring stakes or some form of ballast to keep your canopy secured in case of wind. As part of the celebration, and an opportunity to help contribute to the financial requirements of the event, the God & Country Festival will be selling glow sticks and small flags at the event. So, we do ask that the ministry partners do not include those two types of "give-aways" in their booth.
